

Download Ancient History Middle School

Middle

This course introduces middle-school students to some of the classical texts or “Great Books” of the ancient Greek and Roman periods. Students will read and discuss the classic books from three dynamic eras in early human history: classical-era Athens, the Roman Republic/Empire, and early Christian writers.

Historia: Game

Historia is a curriculum-aligned social studies simulation and strategy game that teaches middle school world history and cultures, economics, geography and government through interactive gameplay. The game covers over 4000 years of history -- from before 2000 BCE to 2000 CE -- so it connects the ancient past to the present day.
